# *2010 Walworth County Prairie Walk*

*Kishwauketoe Nature Conservancy  
Hwy 67 and Stark Street (Lions Fieldhouse)

This year's prairie walk will visit Kishwauketoe, a 230 acre conservancy that features a variety of ecosystems, including prairie, wetlands, oak savannah, kettle, meadow, and deciduous forest. We will learn about raptors, one of the residents of native habitats and their role in the ecosystem. Dianne Moller from Hoo's Woods Raptor Center is a licensed educator, falconer, rehabilitator and eagle handler and will have raptors with her as she promotes conservation efforts of the Raptor Center.
